

Notice ¹

**Regarding the amendment and extension
of the validity period of the general
type approval dated January 12, 2021**

Approval body for construction products and types of
construction

Construction audit body

An institution under Public Law jointly advocated by
the Federal Government and the States

Date:

02.01.2026

Reference:

I 37.1-1.8.22-57/25

Authorisation number:
Z-8.22-901

Validity period

from: **7. January 2026**

until: **7. January 2031**

Applicant:
Scafom Holding b.v.
De Kempen 5
6021 PZ BUDEL
NETHERLANDS

Subject of approval:
Modular scaffold system "RINGSCAFF-V"

This notice supplements the general type approval and extends the validity of general type approval no. Z-8.22-901 dated January 12, 2021, as amended and supplemented by decisions dated January 17, 2023, and March 10, 2025. This notice comprises two pages. It is valid only in conjunction with the aforementioned general type approval and may only be used together with it.

II SPECIAL PROVISIONS

The special provisions of the general type approval are supplemented as follows:

a) Section 2.2.6 is supplemented as follows:

For the pinned or bolted upright joints (type C) with the uprights according to Annex B, page 106 and spigots according to Annex B, page 107, the recommendations in "Calculation treatment of pinned (bolted) upright joints for working and protective scaffolds as well as for steel support scaffolds"¹ must also be observed.
