

SCAFOM-RUX COMPANY PROFILE

Scafom-rux is the global manufacturer of premium quality scaffolding solutions for professional scaffold builders and key industries like oil & gas, shipyards & shipbuilding, building & construction, mining and infrastructure.

Offering the most comprehensive portfolio in scaffolding systems, scaffolding accessories, shoring as well as props, Scafom-rux is the first choice for customers who value a reliable and trusted partner with a strong local presence in more than 20 countries and excellent customer service across 5 continents.

Thanks to an inventive spirit and more than 40 years of experience, Scafom-rux products are designed and built to keep scaffolders safe at all times, maintaining highest standards in durability and sustainability.

Complemented by additional services like professional trainings, technical engineering, and scaffold rental, the entire Scafom-rux team is dedicated to understanding the needs and requirements of scaffolding professionals and to provide the best possible solution for every scaffolding project in the Middle East and worldwide.

STRONGER. TOGETHER.
